DRAFT

Jaymae Wentker, City of Mountain View

**Guest**

Kevin Reinertson, SFM Code Development

**Roll Call:**

Chair James Parsegian asked Program Assistant Yevonne Costa to call the roll of the AES Advisory Committee Members noting those present and those absent. There was not a quorum for voting purposes.

**Approval of the Minutes:** Minutes from the March 02 meeting were tabled until next meeting.

**Old Business:**

Title-19/NFPA-25 Update, James Parsegian provide status of the regulations package concerning NFPA 25 adoption. There were only a few items that need ISOR when these are done the package will be sent to the Office of Administrative Law to begin the public comment process.

Guest speaker DSFM III Kevin Reinertson gave a brief discussion regarding the current code adoptions this office is currently working on, he shared the timetables as well as to when public comments would be taken, as well as other important dates. Public comment period is currently under way.

**\*\*Residential Range Top-** This item was tabled until the next meeting do to time constraints

James Parsegian gave a brief overview regarding the joint effort between our office and the Contractor's State License Board to help crack down on contractors who have possible violations.

James Parsegian spoke about the UL300 package, he stated there is still some work to be done concerning public schools

MITs Working Group, no progress because of time comments for the code adoption process. Chair Steve Hart has been working with our office on the code package.

**New Business:**

Jim Feld shared with the group a slide show, which illustrated a controlled burn using sprinklers in a warehouse setting it was very informative.

The UL 710B Fire Suppression was not addressed at this meeting.

**Next Meeting**

The next meeting will be held at the Office of the State Fire Marshal, 1131 "S" Street, Sacramento CA on Tuesday, September 26, 2006.
